**Connecticut Association of Health Plans
Testimony Regarding**

H.B. No. 5389 AN ACT CONCERNING INSURANCE.

Respectfully, the Connecticut Association of Health Plans would like to flag H.B. 5391 for future input from the health insurance industry. As currently drafted, the bill requires the Insurance Department to conduct a study concerning insurance issues in the state. Given the propensity for study bills to be further amended with substantive language, particularly during a short session, we would like to request for the record an opportunity for continued dialogue should such a situation arise.

Thank you for your consideration.
